

The Problem Solver's Challenge[®] is an effective and fun new way to introduce participants to the problem-solving process.

This innovative tool challenges them to successfully travel the path to a safe and healthy community. Along the way, they will be asked to solve a variety of neighborhood problems using only the resources they have acquired on the journey. These resources include *partners, prevention strategies and enforcement tactics*. This fast-paced activity has been used successfully with both law enforcement officers and community members. ***The Problem Solver's Challenge[®] is ideal for police departments, training academies, sheriffs offices, community groups, schools or criminal justice programs of any size!***

The Problem Solver's Challenge[®] takes about 1-1½ hours to complete and can accommodate up to four teams of three to six participants.

Get the Problem Solver's Challenge[®] training tool for only \$100.00.

Each Problem Solver's Challenge[®] includes the following:

- ◆ Full-size Activity Gameboard
